Supporting Financial Aid and Student Access

The
Northwest
School

One night. One community. One shared purpose.

Pizazz is The Northwest School's signature community gathering and fundraiser in support of financial aid and student access.

Each year, parents, alumni, grandparents, faculty, and friends come together for an evening of connection, celebration, and collective generosity.

Access is central to who we are.

At Northwest, students learn best in a community shaped by many perspectives and lived experiences.

30% of students receive tuition assistance.

Pizazz helps ensure a Northwest School education remains accessible – in and beyond the classroom.
