

A NIGHT FOR THE HOUSE:

PIZAZZ

FREQUENTLY ASKED QUESTIONS

What is Pizazz?

Pizazz is the Northwest School's signature community fundraiser in support of financial aid and student access.

Each spring, parents, alumni, grandparents, faculty, and friends come together as one Northwest community to celebrate the school we love. The evening includes dinner, conversation, and fundraising activities that support financial aid and help ensure that a Northwest School education remains accessible to students from a wide range of backgrounds.

Why it Matters?

Financial aid is central to Northwest's mission. Each year, the school provides significant financial aid to ensure that students from a wide range of backgrounds can attend regardless of their family's ability to pay.

Support raised through Pizazz helps sustain this commitment and ensures that students can fully participate in the life of the Northwest community
